Re : Mr. Aam Vanov, aged 69

Dear Ms. Jolly

I am writing regarding Mr Vanov who was suffering from
Alopecia. He requires appropriate care and management

On 14 December 2020, Mr vanov was admitted to the Nursing Home and was encouraged by community nurse. He has poor memory, unshelved, patches of old. Moreover he is co-stayer and separated in single room. He was rejected care by female staff. Therefore, GP advised him for Behavioral Management Program was started by Male staff. Likewise, he was calm and reduce aggression. He was advised to take healthy diet, salt restriction as well as eat fruits and vegetables.

Mr vanov has had alcoholic dementia, hepatic cirrhosis and was prescribed Thiamine 200 IU. He is a widower and was a retired bank clerk. He lives alone in a Boarding House and His sons was not visit him moreover 2 friends visit him occasionally. He drinks regularly but at present he drinks 3-5 units per day. His hobbies has been listening music. Apart from he was singing in choir a years ago.
