Re: Ann Ballard, Aged: 22 months

Ann Ballard who was diagnosed with 2nd degree burns to her right trunk and arm following accidental scalding with hot water is being discharged home today. Your follow-up ^{care} after discharge is highly appreciated.

Initially, Ann ~~Ballard~~ was admitted on 16 March 2010 at our hospital. During ~~her~~ hospitalization, ~~she~~ Silvazine dressing two times daily was done on affected area. She was provided with IV fluids for 24 hrs and then oral fluids were started. Prophylactic antibiotic cover and analgesia were also given.

^{the} Ann's ~~Ballard~~ mother is suspected to have depression for which she was referred to ^a social worker. She also has financial difficulties following ^{the} separation from her husband four months ago.

I would highly appreciate if you could assist
