Dear Dr Jones

Re: Mrs Patricia Welshman DOB: 10 July 1933

I am writing to refer Mrs Welshman to provide ^{a definitive} ~~your~~ ~~brief~~ assessment and diagnosis ^{of her} increased memory loss as assessed by mini memory assessment scale.
 odd english!!

Mrs Welshman today presented ~~with~~ accompanied by her daughter for poor short term memory loss and mini memory assessment revealed ~~she~~ not able to remember day & date on several attempts. Please note she has been forgetting hairdresser appointments, dinner engagements and decision making issues and ^{has} behavioural changes.
 odd english!!

Mr. Welshman has been under my ~~care~~ ^{charge} since 2010. She was diagnosed ~~with~~ osteoporosis and probable dementia. Investigations were done regularly and ~~she~~ ^{she} was ~~under~~ ^{compromised} on Osteo wit-D, atorvastatin 20mg, bisphosphonate 20mg, metoprolol, losartan and paracetamol 500mg. On 28th Mar 2018, further questioning ^{revealed that} her spare scripts suggested she was not taking her medications regularly, ^{so she was advised to use a} ~~and was changed~~ ^{to} ~~the~~ ^{her} ~~websites~~ pack. She was initially reluctant but later promised ~~to~~ ^{to} adhere ~~to~~ ^{to} medication regime. She is a widow with 5 adult children and lives alone.
 odd structure!!

and a definitive diagnosis of her condition

Mrs Welshman has been advised for further assessment and explained about dementia and its difference between Alzheimer's disease. ~~and referred for a full memory assessment and review after your assessment before exact diagnosis made~~

I would ~~request~~ ~~consider~~ ~~reviewing~~ her current condition

~~Yours faithfully~~
~~Doctor~~
